### Tentative Arthur Hills Cup Playoff Schedule

**Rounds of 32** – August 30 (5:10PM Shotgun)

**NO LEAGUE** – Sept 6

**Round of 16** – Sept 13 (4:30PM Shotgun)

**Rounds of 8** – Sept 20 (4:30PM Shotgun)

**Round of 4** – Sept 27 (4:00PM *tentatively*)

**Championship** – Oct 4 (4:00PM *tentatively*)

### **Weekly Format Challenge**

There will be a different format each week throughout the season. The payouts are based on how well players do in each weekly format challenge. The weekly payouts will go to the Top 12 Individuals and Ties. Roughly \$4 out of the \$5 prize fund collected each week will go to the weekly payouts and the remainder will go towards the playoff winners.

Players will also receive “Arthur Hills Cup” points based on their weekly (non-format) net score.

The prizes will be distributed throughout the season in league issued gift cards. Once you receive a gift card, it is required of you to keep that gift card while you are a member of the league. We will add any winnings remotely to your registered card throughout the year. You can use it on Greens Fees, merchandise out for display, special order clubs/apparel, range balls, or Food & Beverage items.

### **Arthur Hills Cup Points**

Cup points are distributed by how well an individual does playing against the field using Net Stroke Play scoring system. No matter what weekly format challenge is scheduled, each player will play a normal 9-Hole round of golf. We no longer make people play with 5 clubs, alternate shot, or do some other game that would take away from the enjoyment of you playing your own ball on every shot, each & every week.

Regular events will increase by 5% each week using a FedEx style point system.

“Major” events will be worth 25%

Points will be used to determine playoff rankings

### **Playoffs**

- The Top 32 individuals with the most Cup Points advance to the Playoffs at the conclusion of the Regular Season.
- The Playoff format will be Bracket Style Match Play: 1 vs. 32, 2 vs. 31, and so on and so forth.
- Playoff Purse will payout to those who reach the Round of 8.

### **Weekly Format Descriptions**

#### Fewest Putts:

- Only strokes taken with a putter on the putting surface are counted. And no, you cannot use an alternate club like a 3 Wood to putt and count it as zero putts. No handicaps are used to net down the number of putts made. The winners of this format will be the individual who made the fewest combined (gross) putts.

#### Stableford:

- Stableford encourages players to accumulate points using the following scoring format:
  - 0 points for Double Bogey or worse
  - 1 point for Bogey
  - 2 points for Par
  - 4 points for Birdie
  - 8 points for Eagle
  - 12 points for Albatross
- **Modified Stableford:**
  - Double bogey or worse: -3 points
  - Bogey: -1 point
  - Par: 1 point
  - Birdie: 3 points
  - Eagle: 5 points
  - Double Eagle: 8 points

#### Skins:

- For a Skins Game each hole is worth a skin. The individual with the lowest combined net score on a hole wins the skin.
- If two or more teams tie then the 'Purse' for that hole is split amongst the winners.
- Skin's don't carry over to the next hole in this league format.

#### **Net Stroke Play (Played in all Majors)**

Definition: Stroke play is a round of golf in which the score is kept by adding the cumulative total of strokes taken throughout the round. Your league handicap is subtracted from the total strokes to give a net score.

#### **General Rules**

- The USGA Rules govern all play with the following local rules:
  - Play all hazard strokes as if they were red, meaning play it as a lateral hazard
  - Must play the ball down/as it lies
  - Must putt out every shot
  - Max Score on a hole = Pat + 5 Strokes.
    - This means you play beyond Net Double Bogey

### **Penalty Rules**

- Ball lost, Ball Out of Bounds, or Ball in a marked hazard
- All out of bounds will be played as a lateral hazard
- You MUST take a drop two club lengths from the point the ball crossed the hazard (1 penalty stroke)
- If the course is marked OB, you CANNOT play the ball as it lies, you must take the drop
  - Do not hit the shot from someone's backyard, please!
- Water hazards – all water hazards are lateral (red stake)

### **Tees**

- White Tees = Ages 18-59
- Gold Tees = Younger than 18, 60 or older (Handicap adjusted accordingly)
- Red tees = Ladies
- Tees must be designated before your first match
  - Same tees are played for the remainder of the season

### **Handicaps**

- Official USGA "League Play" handicaps will be used to score each competitor
- 100% of each player's index will be used for established league handicaps
- If a player shoots a score greater than Net Double Bogey on a hole, their score will be adjusted to reflect Net Double Bogey for handicapping purposes only
- If you shoot a Gross 10, Net 9 on a Par 5, you would record a 10 net 9 on your actual scorecard
  - You would not stop playing after you reach Net 7 on a Par 5
- For new league members, their USGA will be used to calculate their first week's league handicap – after which their GLS handicaps will "kick in."
  - If you are new to the league without a verifiable USGA handicap, you will play your first 3 weeks as "scratch."

### **Start of Play**

- League fees MUST be paid 10 minutes prior to the start of your tee time for each player/substitute or that player will receive a 2 stroke penalty on their first hole
- League fees must be paid before a player proceeds to the course or a disqualification will result

- For a complimentary bucket of range balls, you must arrive 20 minutes before your tee time
  - In addition, any player not physically present on their starting hole before their group leaves the teeing ground, they will incur a score of Par + 5 Strokes for that hole, and any subsequent holes in which their group has already left the teeing ground before they arrive

### **Pace of Play**

- All 9 hole rounds are required to be completed with scorecards in NO more than 2 hours and 20 minutes after your scheduled tee-time
- Failure to keep pace will result:
  - Warning (1<sup>st</sup> offence)
  - Players put on the clock (2<sup>nd</sup> offence)
  - Players required to skip a hole (3<sup>rd</sup> offence)
    - If a hole is skipped, a player will record Par + 5 Strokes
- Eliminate honors in your group, play when safe and ready!

### **Course Care**

- We ask that you fix your ball mark and any ball marks in your line of putt
- When taking a divot, please replace your divot
  - Use the sand only if your divot has shredded
- Rake any bunker that you walk into whether you play out of it or not
- Please keep all carts on the path around tees and greens

- It only takes 12 minutes to download the GolfLeagueSite Live Scoring App on your smartphone and watch the demo video on how to use the live scoring feature
- You can even designate one player in your group to submit everyone scores so not everyone has too
- It is super easy and very user friendly
- Click on the link [https://golfleaguesite.com/live\\_scores/about](https://golfleaguesite.com/live_scores/about) using your smartphone to select the iOS or Android app to download
- You can also search for the app through your phone’s app store, it does not cost you a penny
- Once you have downloaded the app, use the same email and password you verified earlier on GolfLeagueSite.com
- Now Watch the Demo and your ready for our New Live Scoring feature

### **Avoid these when entering scores in the App**

- Please DO NOT enter all pars for a player if they do not show up
  - o This slows down the process of getting weekly results finalized and puts a lot more work on us to figure everything out
    - Look at it this way, if I did not show up to a match, you would not write all pars for me on a paper scorecard, right?
    - Just make sure if a player does not show up, be sure to remove him/her from the app scoring
- If you have already begun scoring, you cannot remove a user – you have to delete it and restart by deselecting that user that he does not show up on the live scoring
- Avoid starting the live scoring app until you get to the first tee
  - o We have seen a recurring problem creep in more because folks are firing up the live scoring app at home at noon for their 4pm match, then when they get to the course, they realize that the other player(s) did not show up, so they just leave par on the scorecard for all their holes. Please do your best to avoid this.
